## From the District Director

It's mid-June, and the temperatures are starting to rise. This is the same warning I give to people every year; hydration will be the most important thing you do short of wearing the proper gear when you ride in the summer. Dehydration and heat stroke can set in faster than you can realize. For some reason when we're on the motorcycle going down the road you don't feel yourself getting wiped out. That is until you stop at the first gas station, get off the bike and realize it's very hard to walk across that parking lot without looking like you're drunk. And one of the biggest problems is that once you get hit heat stroke, you're susceptible. Maybe this is truer as we get older, but it is definitely dangerous.

The Texas district website is back up and running and accessible from its new URL! [EWMA-TX.org](http://EWMA-TX.org). Many thanks to Tom Sprague and Lyle Altes for all the hard work and testing that went into making it usable again. This officially makes the break with the old GWRRA name. I encourage you all to review the information and look for errors and omissions that need to be addressed. You can either send them to Tom or to myself and we'll be happy to queue them up for fixing.

Many new things are coming up in the coming months starting in September. We have a district right in that will be happening in Glen Rose, Texas the weekend of September 22nd. Then Capital Wings of Austin will be hosting a chapter ride in, October 11 - 15 in Lufkin TX. Both should be very enjoyable and a good chance to meet up with old friends again. Louisiana has already inquired about going to Lufkin, Texas. Later in October Oklahoma will be having its 2023 rally, October 26 - 29, 2023 in Ponca City, Okla. I'm aware of many Texans heading north for that event.

Lastly don't forget EWMA will be having its first annual EWMA Rendezvous, Knoxville, Tenn. August 31 - September 2. This is your chance to see the first one! With any luck there will be attendees from all over the 50 states and perhaps beyond.

Donna and I wish you a very wonderful summer season and hope to see you at one of these events. Stay safe.

# Membership Enhancement Coordinator

By Gary and Becky Wheatley

The feedback about our Texas District Rally that I received, stated it was a success. The number of members present could have been better, but it was our first one since the reorganizing of our association. The plan for next year seems to be leaning towards a “ride in” instead of a rally, we will see.

As for membership throughout our great state of Texas, we lost some chapters due to both the bad years during Covid and the restructuring or should I say the separation of some members. Some went to WingDRiders, some went Independent, and some went to Eagle Wings, no matter where each of us ended up we are still FAMILY!!! Let’s all support each other in our functions.

We are reaching out to both new and potential members and letting them know about chapters or gatherings in their area.

We are still looking for riders or co-riders that are willing to step up and be the leaders of a group in their area. If you hear of an area that is looking for a group and leader, please give me a call and I will get back to them ASAP.

We would like everybody in our great state to have the opportunity to participate in group rides and gatherings.
