*“Friends for Fun, Safety, and Riding”*

April 2025  
Vol. 5 No. 4

## From the District Director

It is hard to believe but our Spring Ride-In is just a couple of weeks away, it should be a fun few days of great riding and visiting with friends. It is still not too late to register so please come join us for some good times. We want to thank a head of time all of our members who help put this Ride-In on, from planning the event, the rides, food etc. it takes a lot of people and time to put an event like this together, so again Thank You!

As we said in last months newsletter on of our focuses this year will be on recruitment and retention. We get a roster of all member in the State of Texas & Oklahoma each month, and from that we will be sending a list of expired or expiring members to the appropriate Chapter Directors for follow up. As far as recruiting we will be passing out some generic business cards to our members to pass out to prospective new members you might meet. The front of the card talks about the organization and the back has space for you to enter your information and a QR code to the membership sign up page. Example below.

We will also have some flyers that can be passed out and will hopefully have some Tri-fold flyers also. We are also interested in any ideas you might have to help with this recruiting drive.

In continuing on with last months subject of members benefits we are attaching a couple of excerpts from some past On The Fly articles On MTS Motorcycle Towing Service, and Engine a Hotel, Airline, and Car Rental service. We personally used engine to book rooms for a trip we are taking to Illinois and compared it to two other popular booking services and we saved \$10.00 a night 3 different hotels, take a look and try it out.

Again, we hope to see a great many of you at the Spring Ride-In Kerrville TX. April 9 -11 2025, for a lot of fun. Weather is getting good of lets ride when ever we can and please ride safe.

# Benefit Spotlight

## Serving Our Customers Since 1988

Motorcycle Towing Services started in 1988 in Las Vegas, Nevada. Since then, we have been proud to provide our members with roadside assistance for more than three decades.

MTS was founded by Gene Wagner, a Vietnam War veteran. In 1987, Gene was riding his Gold Wing in New Mexico when he broke down, and there was no suitable tow to be found anywhere. It was then Gene recognized the desperate need for quality roadside assistance for himself and other motorcycle riders. He built the company from the ground up by attending bike rallies and connecting with other motorcyclists. In 2006, the company was passed on to Gene's brother Jeff, who is also a Vietnam War veteran.

Over more than 30 years in business, MTS has grown and expanded. Our membership goes beyond the thousands of individual riders we serve. It now includes motorcycle manufacturers, dealerships, and insurance companies.

In 2016, the company was purchased by Jeff Riley, a long-time MTS employee and son-in-law to the original MTS owners' family. Since then, Jeff has elevated the company to fit his vision of providing customized plans that include rental companies and motorcycle owners' groups.

MTS continues to operate as a family-owned business. This allows us to provide personalized customer service that's only found in a small business setting. MTS offers the latest technology and equipment for all motorcycle roadside assistance needs. MTS is not just a provider, we are a "Motorcycle Provider."

## Benefit Spotlight

### Engine

**EWMA Members will have access to discounts  
at over 300 hotel chains around the world!**

***NEW FOR 2025:***

**Members can now save on Rental Cars AND  
AIRLINE FLIGHTS!**

**Tell us your story:  
How much have you saved by using Engine?  
Have you booked a Car?  
And Airline Flight?**

# Motorcycle Safety

Tom Sprague Via the Internet

Now that spring is here I hope to do more riding. Before you get on that bike be sure to go over it and check all the fluids and those tires and be sure to put on that protective gear. Motorcycle safety hazards refer to the various risks and dangers that motorcyclists face while riding. These hazards can significantly increase the likelihood of accidents and injuries. Understanding and mitigating these hazards are crucial aspects of motorcycle safety. Some of the most common motorcycle safety hazards include:

## Other Vehicles

- **Limited Visibility:** Motorcycles are smaller than cars, making them less visible. Drivers may not see you in their mirrors or may misjudge your speed and distance. Always assume you're invisible to other vehicles.
- **Left-Turning Vehicles:** Cars turning left in front of oncoming motorcycles are a major cause of accidents. Be extra alert at intersections.
- **Lane Changes:** Drivers may change lanes without properly checking their blind spots, potentially putting you in their path.

## Road Hazards

- **Potholes:** Potholes can cause a loss of control or even a crash. Be vigilant about scanning the road ahead.
- **Debris:** Objects like rocks, branches, or even animals can cause you to swerve or lose control.
- **Railroad Tracks:** Crossing railroad tracks at an angle is crucial for stability. If possible, try to cross at close to a 90-degree angle.
- **Slippery Surfaces:** Wet roads, oil spills, gravel, and sand significantly reduce traction. Adjust your speed and riding style in these conditions.

## Weather Conditions

- **Rain:** Rain reduces visibility and makes roads slippery. Slow down, increase following distances, and avoid sudden movements.
- **Wind:** Strong winds can push a motorcycle around, especially on highways. Be prepared for sudden gusts that can affect your steering.
- **Fog:** Fog significantly reduces visibility. If possible, avoid riding in foggy conditions. If you must ride, slow down and use your low-beam headlights.

## Inexperience

- **Lack of skill:** New riders are more prone to errors in judgment and control. Start with smaller bikes and practice in safe environments. Consider taking formal motorcycle training courses.
- **Overconfidence:** Even experienced riders can become overconfident, leading to risky maneuvers and accidents.

## Rider Behavior

- **Impaired Riding:** Never ride under the influence of alcohol or drugs. Your reaction time and decision-making are severely impacted.
- **Fatigue:** Riding when tired can be just as dangerous as riding drunk. Take breaks and pull over if you feel drowsy.
- **Distractions:** Cell phones, music players, and other distractions take your focus off the road and can lead to devastating consequences.

Be aware of these hazards, ride defensively, and enjoy the freedom of motorcycling safely!

# ARK-LA-TX ICONIC RIDES

All guided rides will have a rider meeting at 8:45 with KSU at 9:00. Day 1 – Thursday, April 24 – This will be a bonus ride for you early birds, the guys who come in on Wednesday night. First stop will be 30 minutes at the Mitcham Farms where all things peach and chocolate are sold. Next stop, via Mitcham Orchard and White Lightin’ Roads, will be Claiborne State Park for an introduction to this wonderful LA State Park on Lake Claiborne. The park is home to a championship Frisbee golf course, a marina, 10 cabins and 87 campsites. 2 miles away is the iconic Port-Au-Prince, famous for its all you can eat fish or steak. Next is the South Arkansas Arboretum where we will sample some iconic Spud-Nuts. Then on to the Arkansas Museum of Natural History. This is a great little museum featuring the origins of oil and how to drill for it. There is working oil field equipment and a replica of a 112-foot derrick on the grounds. Inside is a reproduction of the boomtown of Smackover. This town grew from a population of 73 to 25,000 almost overnight. Featured is an old jail, café, vintage trucks and gas pumps. There is a short, but very entertaining film about when oil was first discovered in the area. We will proceed to T Rick’s south of El Dorado for fuel and visit the Arkansas Welcome Center. Last stop, Hollis’ Seafood in Spearsville, LA. This place has been around for years and is open only 3 nights per week. And today is one of them! On Friday, they have a limited menu for about \$20 per person. Here is the limited menu: Whole Catfish, Catfish Fillets, Fried Shrimp, Chicken Tenders, Pork Loin Chops, BBQ Chicken Quarters, Shrimp Etouffée, Baked Potato Bar, Turnip Greens, Black Eye Peas, Fried Okra, Corn on the Cob, Baked Beans, Cajun Rice, French Fries, Mashed Potatoes and Gravy, Coleslaw, Hot Water Cornbread, Hush Puppies, Homemade Rolls, Banana Pudding, Coconut Pie, Cherry Cheese Cake, Cinnamon Rolls and Soft Serve Ice Cream. All desserts are homemade. After eating, if time allows, we will roll ourselves out to the bikes and take a scenic ride across Lake D’Arbonne and maybe visit the State Park there as well. This ride covers about 190 miles, and you will spend about 4 hours in the saddle.

Day 2 – Friday, April 25 – This route will allow us to show off on some interstate riding. We will also ride U. S. Route 80. 80 is a major east-west U. S. Highway that was once part of the early auto trail known as the Dixie Overland Highway. It ran from the Pacific to the Atlantic, San Diego to Tybee Island, GA. We will pass through Grambling State University, the site of the Bonnie and Clyde Ambush, the Ed Lester Farm in Red River Parish, hop on I-49 and stop at Highway 6 on the outskirts of Natchitoches. Highway 6, along with TX Highway 21, comprise the El Camino Real de los Tejas National Historic Trail. The little settlement Los Adias, just 8 miles east of this intersection, was once the capital of Texas from 1719 to 1763. This intersection is the spot in Natchitoches for fast food. Since we will be having the big Fish Fry this evening, maybe we should take it easy for lunch. Convenient eateries include: El Patio, Dairy Queen, Subway, McDonalds, Huddle House, Whataburger, IHOP, the French Market Express, Wendy’s and Popeye’s. This will also be our fuel stop for the day. In Natchitoches, we will visit the campus of Northwestern State University, Fort St. Jean Baptiste, the LA Sports Hall of Fame and downtown Natchitoches. The final leg will be straight back to the Argent Pavillion on the campus of Louisiana Tech University for the Fish Fry by Ben Christmas. Champions Plaza is located there as well, with bronze statues of LA Tech athletic heroes. This ride covers about 190 miles, and you will spend about 3.5 hours in the saddle.

Day 3 – Saturday, April 26 – Today’s ride is a shorter ride. We will take back roads down to Jimmie Davis State Park on Caney Lake. From there, we will ride more back roads around West Monroe and through the Garden District of Monroe. We will make a quick stop at the Forsythe Point Recreation Area across the street from the iconic Biedenharn Bible Museum and Gardens and the Coca-Cola Museum. Then after passing through the campus of the University of Louisiana at Monroe, we will stop at the Chennault Aviation and Military Museum. It is a great little museum and the admission is free. Next, we will move on to downtown West Monroe. This is where we will dissolve the large group and continue either on your own or in smaller groups. Just plan your return so that you can make it in time for the closing ceremonies at     TBD    . Lunch recommendations in Monroe would include the Mohawk Seafood Tavern, the Flying Tiger Brewery and Pizzeria, Tail Gators on the River and Restaurant Cotton. In West Monroe, I would recommend Trapps, Flying Heart Brewing and Pub and JAC’s Craft Smokehouse. For killing time, how about Antique Ally in West Monroe, the Duck Commander or Drew Bree’s Surge Entertainment for a state of the art entertainment experience? This ride covers about 130 miles, and you will spend about 3.5 hours in the saddle. This ride requires no fuel stops.

## Eagle Wings Texas - Why Join us?

- We are an open motorcycle association that caters to a variety of riders
- We are welcoming toward owners of ANY motorcycle brand or design.
- We are made up of a diverse population of welcoming friendly people.
- We are Built on the legacy of GWRRA and have been promoting safety since 1977
- We have served generations of members with our leadership including the grandchildren of early members.
- We work to participate and serve in community events and charities and have for decades.
- We plan and sponser chapter, state, and National riding events, as well as rallies to reinforce our commitment to safety, fun and friendship.
- Our membership costs are extremely low and we make every effort to ensure money does not get in the way of riding.
- Our members share their experience, and knowledge.
- Mainenance day events can be found where folks work together to keep our bikes in safe condition.
- We visit with other chapters, states and regions to keep the scenery new, and friendships plentiful.
- The national organization works to foster relationships with vendors to provide enhance value, quality products and services for our members.

We want you to be a part of our growing family as we continue to evolve our motorcycle association.

<https://ewma-tx.org>  
<https://ewma-world.org>

**Our Vision:**

A simple, fun, riding, social association of like-minded motorcycle enthusiasts

**Our Motto:**

Friends for Fun, Safety & Riding

**Our Mission:**

To provide to our Membership a fun and social environment that focuses on the love of motorcycling.

To bring the world together around that passion while helping them to be safer and mindful when riding a motorcycle.

To be a family-oriented, non-religious, non-political association, respectful of each other's beliefs.

Enjoying the ride together with like-minded motorcyclists.
